PRESENTED TO

*Naturepedic*

*Supporter Member Level • Valid through May 2023*

This certificate confirms your company's support of Textile Exchange, a global non-profit driving positive impact on climate change across the fashion and textile industry. Textile Exchange guides a growing community of brands, manufacturers, and farmers towards more purposeful production from the very start of the textile supply chain. Its goal is to help the industry to achieve a 45% reduction in the emissions that come from producing fibers and raw materials by 2030, accelerating the adoption of practices that improve the state of our water, soil health, and biodiversity too.

For real change to happen, everyone needs a clear path to positive impact. This certificate entitles your company to exclusive Textile Exchange member benefits, as outlined at [TextileExchange.org](https://TextileExchange.org). It does not validate any company product claim(s) or represent certification of products or processes.

At Textile Exchange, materials matter.
