Naturepedic

with Gold-Level Green Business Certification

Certified Green Businesses are leaders in the green business field and certified under Green America's rigorous standards.

Gold Certified Green Businesses are leaders in their industries that embed social responsibility into the DNA of their company.

Leading the Green Economy Since 1983

Green America® certifies businesses that are:

- ✓ Actively using their business as a tool for positive social change
- ✓ Socially just AND environmentally sustainable
- ✓ Environmentally responsible in sourcing, manufacturing, marketing, and operations
- ✓ Committed to equitable practices for workers, customers, communities, and the environment
- ✓ Accountable for their work by continually improving and tracking their progress
- ✓ Operating with radical transparency in every facet of their business
