Tracking Labels:

All Naturepedic products conform to the Consumer Product Safety Commission (CPSC) regulations regarding permanent tracking labels – CPSIA Section 103, Tracking Labels for Children’s Products. Tracking labels are required for all children’s products and are attached to the product in a permanent manner.

Tracking labels include:

- a. Name of Manufacturer
- b. Location of Manufacturer
- c. Contact Information
- d. Model Name / Number
- e. Date of Manufacture
- f. Batch / Run / Lot Number(s)

Date of Manufacture & Lot Designations:

Note: This is applicable to Lot Designations per 16 CFR 1633 (Fire Protection Requirements) as well as to Tracking Labels per CPSIA Section 103 (Tracking Labels for Children’s Products).

- The date of manufacture of every finished Naturepedic product is stamped on the product.
- The Lot Designation is the date of manufacture.
- Every component used on every production date is tracked within the Lot Control System. (This not only includes fire protection materials, but all materials used to construct Naturepedic products.)
- Naturepedic uses 2 unique date codes for date of manufacture
 - Year followed by Month followed by day of year
 - For example, September 19, 2016 would be 01609263
 - 3 numbers for internal codes followed by the year followed by a range of weeks of the year, with the number ‘2’ in between the weeks.
 - For example, products made in the month of September 2016 would have a date code of 5431636240, where ‘16’ is the year, ‘36’ is the first week of September and ‘40’ is the last week of September.

Product Registration:

Per the Consumer Product Safety Commission (CPSC) regulations regarding product registration (CPSIA Section 104 “Standards and Consumer Registration of Durable Nursery Products” which requires product registration for all durable infant or toddler products with a useful life of three or more years), the types of products produced by Naturepedic do not require product registration.

Nonetheless, Naturepedic provides the option of product registration to its customers.

Naturepedic provides consumers with an internet product registration option.

Product registration information includes:

- a. Name of Manufacturer
 - b. Contact Information
 - c. Model Name / Number
 - d. Date of Manufacture
- and ancillary information.

State of California Fire Protection Requirements:

All Naturepedic mattresses also conform to State of California flammability regulations (TB603 and TB129).

September 5, 2006

January 5, 2010

August 5, 2014

August 15, 2014

September 17, 2014

The types of products produced by Naturepedic are exempt from conformance with State of California flammability regulation TB117-2013.

State of California Phthalates Ban:

All Naturepedic products conform to the State of California ban on phthalates (AB1108, effective as of January 1, 2009).

State of California Proposition 65:

All Naturepedic products conform to the State of California Safe Drinking Water and Toxic Enforcement Act of 1986 commonly referred to as Proposition 65.
